In the contemplation of Christ we linger on the shore of a love that is measureless. We endeavor to tell of this love, and language fails us. We consider His life on earth, His sacrifice for us, His work in heaven as our advocate, and the mansions He is preparing for those who love Him, and we can only exclaim, O the height and depth of the love of Christ! "Herein is love, not that we loved God, but that He loved us, and sent His Son to be the propitiation for our sins." "Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God." -AA 333
