

*God took the strength of a mountain,  
And the majesty of a tree.  
The warmth of a summer sun,  
The calm of a quiet sea.  
The generous soul of nature & the  
Comforting arm of night.  
The wisdom of the ages and the power  
Of the eagle's flight.  
The joy of a morning in spring & the  
Faith of a mustard seed,  
The patience of eternity & the depth of a  
Family need.  
Then God combined these qualities, when  
There was nothing more to add,  
He knew His masterpiece was complete  
And so, He called it--DAD*

*In Loving Memory*
