### EXPONENTIAL TEACHING

by Ramon V. Baldovino

This year this bulletin space will be filled with materials drawn from a book written by Elmer Towns, Dean Emeritus of the School of Religion and Theological Seminary at Liberty University in Lynchburg, VA. It is entitled "I Am Jesus: Let's Change the World."

*"The church leaders said, 'We will give ourselves continually to prayer and to the ministry of the Word.'" (Acts 6:4, KJV)*

I am the early church that continually gave itself to the Word of God. The leaders gave themselves to teaching, and new converts gave themselves to learning. The new church was grounded on Scripture and teaching. As a result, individuals followed Me. And that is why the Christian experienced exponential growth. My Word is alive (John 6:63), and it is powerful (Hebrews 4:12). When you properly teach the Word of God, you are preparing for explosive growth. Why? Because super-aggressive teaching of Scripture leads to exponential growth.

I am Jesus, who will bless the church with exponential growth when the foundation is laid with solid Bible teaching. Then you must follow with aggressive faith, aggressive witnessing, and aggressive outreach of the gospel. Do you want to change the world? There is a predetermined formula that works.

Personal Prayer: *Lord, I pray for my church to change the world. But first, Lord, change me. Make me a super-aggressive witness. Then, Lord, help me motivate people in my church to a greater vision. Then, Lord, help us change our world. Then perhaps we can change the rest of the world. Amen.*

KEY THOUGHT: The gospel is the only message that saves people from hell, and the Great Commission is the only method to preach the gospel to everyone to change the world.
