A Tribute to Mom

*We couldn't begin to count the times
she tolerated our moods, consoled our
heartbreaks and disappointments, endured our
ups and downs. She listened to words confused
by tears, and just simply understood -
for no other reason than because she loved us.
The years hold precious memories, but most of all
they hold growth. In a way, we grew-up together.*

Mom is our definition of a special person -

fantastic..

exceptional..

unique...

enduring!

*She filled our lives with happiness and sweet
feelings that we will carry in our hearts forever.*
