Moderators & Guidelines

1. The questions under each section are intended to prompt conversations among our Guest Presenters and our Practitioners Panel. This is not an attempt to have definitive answers for every question since we are all navigating the developments of COVID-19 in real time.
2. We will have Live Chat happening during the conversation for Q&A from participants. We will interject questions when they seem appropriate within the Conversation. Also, we will follow with Q&A time at the end of the Conversation.
3. We will be recording this Conversation for posting online. The intent is that it can be shared with others who may not be able to attend the live Conversation.
4. Note – This is Conversation #3 that has happened over the past few weeks. The previous two conversations are available by visiting our www.AdventistCamps.org website.
5. It is possible that there may be more Conversations will be ongoing for the foreseeable future. We will decide following each Conversation.
