## IN MEMORY OF

*Courtney Fisher*

1957-2024

***Nurse***

*It was a game we all played as a child  
Then some of us made it a dream worthwhile  
More to learn, not as much time to share  
Because in our hearts we really cared*

*We have worked the late night hours  
While others slept away  
Handled a Doctor's many moods  
Then found time to pray*

*Critical moments that remain as memories  
Some sad, then some are good  
Then there are the tragedies  
That will never be understood*

*We see a newborn baby smile  
As we watch another slip away  
And that completes the circle  
The price for life that's paid*

*Sometimes not appreciated  
When just a hug will do  
We are proud of our profession  
A gift from me to you*
