1930 - 2023

For every burden that we bear,
For every sorrow, every care,
There's a reason

For every grief that bows the head,
For every tear-drop that is shed,
There's a reason

For every hurt, for every plight,
For every lonely painracked night,
There's a reason

But if we trust God as we should,
All must work out for our good,
He knows the reason.
