

COVID-19 Guidelines

August 3, 2020

Dear School Family,

During this pandemic we have been adjusting to a new normal in our homes and social activities.

The school also, has received guidelines when reopening in order to keep the students and teachers safe. It is as follows:

~school will be cleaned and sanitized professionally prior to school opening.

~hand sanitizers and cleansing wipes will be available in each classroom and throughout the school.

~mask or face shield will be worn by the students and teachers when necessary. Mask breaks will be taken often and regularly.

~desks will be 3-4 feet apart to practice social distancing.

~parents are asked to health screen their child before sending them to school. Please use the screening check list provided.

~procedures for bathroom use, playground use, and drinking fountain will be posted.

~cleaning and sanitizing will be done daily.

~if student becomes sick during the day, an isolation room has been set up.

~school staff, conference, or church will not be liable if student or staff becomes sick with COVID-19 symptoms.

Thank you for your support and prayers during this pandemic.

Mr. & Mrs. K.

Health Screening Check List

Dear Parent/Grandparent/Legal Guardian,
Please health screen your child before coming to school. Use the check list below and let us know the results daily. Thank you.

- fever or chills (100.4 or higher)
- coughing-not related to allergies or asthma
- sore throat
- shortness of breath or difficulty breathing
- fatigue/tired
- nausea or vomiting
- diarrhea
- congestion or runny nose not related to allergies
- muscle or body aches

Student may return to school symptom free for 24 hours without fever reducing medication.

If symptoms continue more than 24 hours contact your physician **immediately.**
