

FOREVER IN OUR HEARTS

To Our Mother

*The past 37 years and 41 years we had you here,
To steer and guide us and comfort our fears,*

*We both know you from the inside,
Your heartbeat was constant in our lives,*

*Your love and kindness will carry us through the days
We may break down, but we're learning that is ok
A mothers love is infinite, strong and true
You're a tough act to follow, but we got this too
God needed you more and we let you know it was ok to go.
His grace and mercy is what we continue to know..
Always in our hearts and minds forever you'll be,
Forever our mother, now it's time to sleep*

Love, Jennifer and Carrie
