

LaNae's Words to Live By

*A friend is one of the nicest things you can have,
And one of the best things you can be.*

*A home belongs to the person
Who sees its potential -
Then over time creates it
Through design and work
Board by board...
Foot by foot...
Room by room...
Lovingly making it their own.*

LaNae, our friend, we will all meet you in your home in heaven.

Appreciation

On behalf of the family, we wish to express their gratitude
