Education Financial Assistance: Thank you so much for your generosity in helping our young people with their financial needs so that they are able to receive a Christian education at either grade school or academy level. Our financial needs for the 2018-2019 year are as follows: Inez Wrenn \$1700/Month, Academy \$ 500/Month. We have a couple of young people who are attending our academy that does not qualify for worthy student funds and so the Church board has set up a Student Evangelism account with a financial need for the 2018-2019 school year of \$1400/Month. To make a donation to any of the above accounts, please be sure to mark your tithe envelope **“Inez Wrenn WS, Academy WS, or Student Evangelism.”** Thank you for your financial support for Christian education.

Thought for Today:

" The Communion service points to Christ's second coming. It was designed to keep the hope vivid in the minds of the disciples....These are the things we are never to forget. The love of Jesus, with its constraining power is to be kept fresh in our memory. Christ has instituted this service that it may speak to our senses of the love of God that has been expressed in our behalf. As faith contemplates our Lord's great sacrifice, the soul assimilates the spiritual life of Christ. That soul will receive spiritual strength from every Communion. The service forms a living connection by which the believer is bound up with Christ, and thus bound up with the Father. As we receive the bread and wine symbolizing Christ's broken body and spilled blood, we in imagination join in the scene of Communion in the upper chamber....We witness the struggle by which our reconciliation with God was obtained.... Looking upon the crucified Redeemer, we more fully comprehend the magnitude and meaning of the sacrifice made by the Majesty of heaven."
