After Glow

*I'd like the memory of me
to be a happy one.
I'd like to leave an after glow
of smiles when life is done.*

*I'd like to leave an echo
whispering softly down the ways,
of happy times and laughing times
and bright and sunny days.*

*I'd like the tears of those who grieve,
to dry before the sun
of happy memories that I leave
when my life is done.*
