**Home Bound – Never More to Roam**

Stan is with his June now  
Never more to roam.  
Hand in hand once again  
Stan has gone on home.  
Never more to roam.

Never more to roam  
June met him at the gate.  
True and faithful til the end  
Never more to be late.  
Never more to roam.

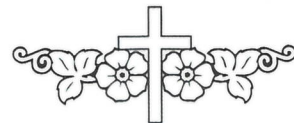

A life lived full of love  
For the one gone before.  
Never more will they roam  
Outside of Heaven's door.  
Never more to roam.

Stan has gone on home  
Hand in hand once again  
Never more to roam  
Stan is with his June now.  
He has finally made it home.
