PREMIUM
PAYMENT
MANAGER

ICHRA Payments Simplified.

Goodbye reimbursement claims & proof-of-coverage

THE PROBLEM

When Freedom of Choice is a Practical Burden

We get it. Paying multiple carriers, plans and coverage for individual employees can be exhausting.

That's where we come in. Premium Payment Manager, powered by ECHO®, provides an automated payment solution to enhance any ICHRA offering.

Let us tackle ICHRA reimbursement so you can get back to spending time where it matters most.

THE BURDEN

An Inefficient Reimbursement Process

ICHRA reimbursements can leave you struggling to find time to collect forms, process them and store these recurring monthly requests.

It's true, ICHRA reimbursement requires a lot of moving parts, all while running a business.

- Employees pay out of pocket for full premium amount

- Constant "proof of coverage" documentation is required

- On going monthly paperwork to ensure compliance
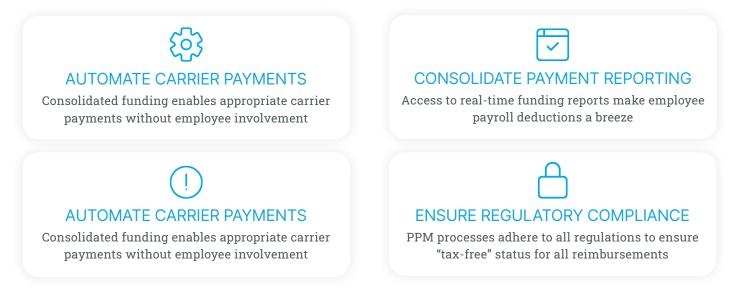

ICHRA Payments Simplified.

Goodbye reimbursement claims & proof-of-coverage

THE ANSWER

One seamless solution for ICHRA reimbursements

Introducing payment automation that enables an ICHRA to work like a traditional plan. Getting you out of managing paperwork and back to spending time where it matters most.

AUTOMATE CARRIER PAYMENTS

Consolidated funding enables appropriate carrier payments without employee involvement

CONSOLIDATE PAYMENT REPORTING

Access to real-time funding reports make employee payroll deductions a breeze

AUTOMATE CARRIER PAYMENTS

Consolidated funding enables appropriate carrier payments without employee involvement

ENSURE REGULATORY COMPLIANCE

PPM processes adhere to all regulations to ensure "tax-free" status for all reimbursements

---

PREMIUM PAYMENT MANAGER
