

# From here to everywhere?

Supporting God's work locally and further afield

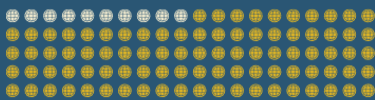

We want to be a generous church, and find ways of supporting God's work locally and further afield. It is such a privilege to pray, to get informed, and to join in alongside a number of different projects. Each year we also give away at least 10% of our freewill income, which enables us to give over £25,000 to partner organisations through our Mission, Relief and Development Committee (MRDC).

## CORE MISSION PARTNERS

### OUR GENEROSITY AT TRINITY

We give away at least 10% of our freewill offering each year, with our 2023 MRDC budget being £26,000.

#### CORE PARTNERS

Church Army, Church Mission Society, Urban Neighbours of Hope and ReSource

#### PARTNER PROJECTS

Supporting their work in Shrewsbury, across the UK and further afield

#### ONE-OFF AND SHORT-TERM

One off, emergency crisis funding, and supporting individuals who want to get involved in short-term mission

*"Since as you excel in everything – in faith, in speech, in knowledge, in complete earnestness and in the love we have kindled in you—see that you also excel in this grace of giving"*  
(2 Corinthians 8:7)

#### Neville Willerton and the Church Army (9am congregation)

Neville Willerton works for Church Army as Director of Mission Operations. He oversees their frontline work including a growing number of centres for mission, creative expressions of church life, and homelessness hostels in Cardiff and London. More recently he has also been involved with "Waterways chaplaincy" which brings practical and spiritual support to people living on the waterways.

#### M and H and family in N Africa with CMS (11am congregation)

M and H work in remote villages in a country where conversion to Christianity is criminalised and it is hard for people to show openly that they are Christians. The family seeks to serve their local community, showing God's love in practical ways and offering to pray for those in need.

## **The Fletcher Family in Thailand with Urban Neighbours of Hope (630pm congregation)**

Since 2014 Jon, Elise, Elliott, Sammy and Bow have been living and working with Urban Neighbours of Hope in Bangkok, making their home in a crowded slum neighbourhood and experiencing the joys and sorrows of community life up close. For this their tenth year with UNOH they will be based back in Shrewsbury to fundraise and reconnect with supporters, to get training and further support, and to discern the nature of their next season in Thailand.

## **ReSource (Christ the King Congregation)**

ReSource's vision is to see churches across the UK alive in the spirit and active in mission. From leadership development to retreats, producing resources through to networks of prayer, their particular gift and calling is enabling little, local and ordinary churches to engage with the Holy Spirit for renewal, discipleship and mission.

Across the parish we also pray for and donate money to a variety of other Christian mission-based organisations and local projects, including:

**Shrewsbury Food Hub** redistributes surplus food for social and environmental good. Its vision is a community where food is valued and not wasted. We work in partnership with them on the Meole Estate and with other projects in the parish as well as supporting their wider work across the town.
