

**Nick Duppong** was born April 16, 1927 in Glen Ullin, the son of Ferdinand and Anna (Wagner) Duppong. As a young boy, he attended rural school at School Dist. #9 through the eighth grade. He worked on the family farm with his siblings until the mid-1940s when he moved to Buhl, Idaho and worked for the SEGO milk plant. While there, he also helped farmers and worked in the spud and beet fields. He was only in Idaho for a few months before returning back to Glen Ullin to help his brothers' farm. Nick took over the family farm in the early 1950s. On November 8, 1960, Nick married Rose Mary Willett in Paducah, Kentucky. To this union three children were born, Anna, Arthur and Margaret. Nick loved life on the farm. Alongside his family, he operated a dairy farm where they also had beef cattle, and for a short time, chickens and hogs. He was a member of the Knights of Columbus and served as the meeting minutes' recorder for two years. He was also the 6 point program chairman. Nick and Rose retired in 1992 and moved into town. Although retired, he always kept busy chasing grandkids, helping Art on the farm, woodworking and gardening. Nick's family, especially his grandchildren and great-grandchildren meant the world to him. He will be missed by all who knew him. Nick is survived by his daughters, Anna (Tom) Six of Steele, Margaret (Roby) Kottre of Bismarck; son, Arthur Duppong of Glen Ullin; 12 grandchildren, 1 step-grandchild, 12 great-grandchildren and 3 step-great-grandchildren; sister, Anna Lutz of Desert Aire, WA; sister-in-law; Lorraine Duppong of Buhl, ID; and numerous nieces and nephews. He is preceded in death by his parents; wife, Rose Mary (2008); brothers, Matt, John, Ferdinand, and George Duppong; sisters, Clara Durfee, Freida Nipper, Alice Gietzen and baby sister, Eva.

#### *Final Harvest*

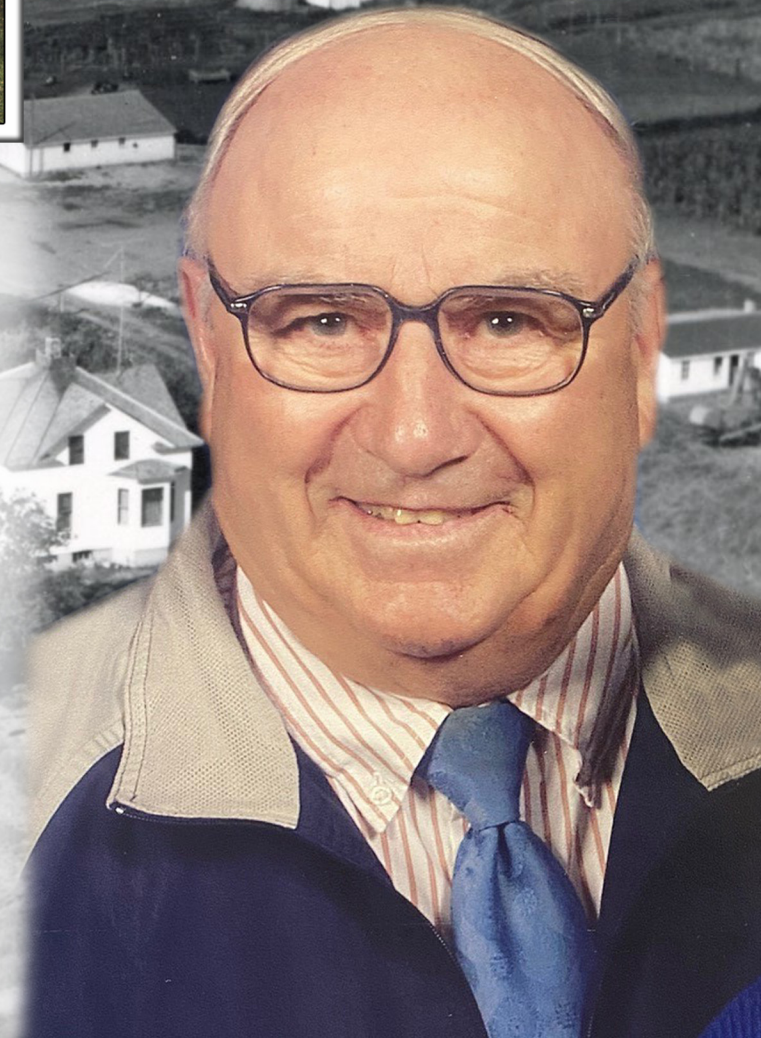

*He was bound to the land  
from the day of his birth  
His roots anchored deep  
in the fertile earth  
Nurtured, sustained,  
by the soil he grew  
And his life like his furrows  
ran straight and true.*

*In faith, each spring,  
he planted the seeds  
In hope, to reap his family's needs  
With patience,  
he waited for the harvest to come  
To gather the fruits of his labor home.*

*Ever turning seasons,  
the years sped past  
Till the final harvest came at last  
Then claimed anew by beloved sod  
He was gathered home to be with God.*

## My Farm

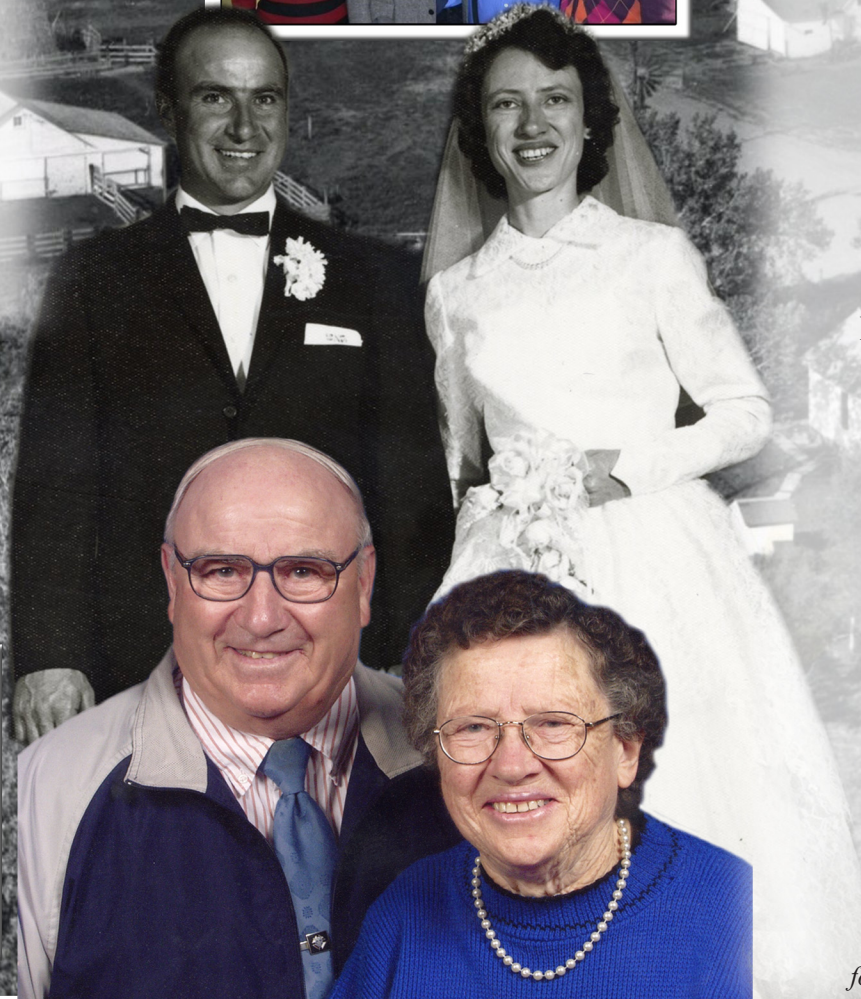

*My farm to me is not just land  
Where bare unpainted buildings stand  
To me, my farm is nothing less  
Than all created loveliness.*

*My farm is not where I must soil  
My hands in endless dreary toil  
But where, through seed and swelling pod  
I've learned to walk, and talk with God.*

*My farm, to me, is not a place  
Outmoded by the modern race  
For here, I think, I just see less  
Of evil, greed, and selfishness.*

*My farm's a haven - here dwells rest,  
Security and happiness  
Whate'er befalls the world outside  
Here faith and hope and love abide.*

*And so my farm is not just land  
Where bare unpainted buildings stand  
To me, my farm is nothing less  
Than all God's hoarded loveliness.*
