

## **Friends of Washington Sabbath September 22, 2018**

Organizational Meeting after Fellowship Dinner

It is easy to admit two volunteers cannot take care of all the issues of the Washington Church and Sabbath Trail. Marsha and I need people who care about the Washington Church to join us and/or lead one or two work days per year. Just giving 5-10 hours of volunteer time per year can make a huge impact.

Here are areas we need help with:

1. Vision: Developing a long-term plan for the Site.
2. Sabbath Trail and Cemetery Care.
  - a. Maintaining the Stones and Individual Sites.
  - b. Chipping and Maintaining the Forest
  - c. Planning for diversity of life on the trail.
  - d. Mechanical Assistance with equipment.
3. Event Planning:
  - a. Annual Meeting Team.
  - b. Hillsborough Reenactment.
  - c. Sabbath Hosts.
  - d. Special Sabbath Teams.
4. Research Assistance.
5. Fundraising
