THE LIFE AND LEGACY OF *LeeAnn Anderson*

LeeAnn Anderson was born on September 30, 1965 in Hope, Arkansas to the proud parents of John Henry Nichols of Los Angeles, CA and Louise Bradford of Hope, Arkansas. Both of whom preceded her in death.

LeeAnn relocated to Los Angeles, CA at the early age of 6 years old, where she was raised by Ellaree Lane known to her as “mama” and Mavis Vasquez known to her as “mommie.” LeeAnn attended Budlong Elementary, John Muir Middle School and Manual Arts High School from which she graduated in 1983 and achieved her Diploma, all of Los Angeles, CA

She was so eager to start her first job at the age of 17 years old with a well known food chain, McDonalds Restaurant. She was so proud to jump into her uniform every day and head off to work. LeeAnn loved to dance, she was always involved with some type of drill team organization. One of her favorites was the neighborhood drill team called, “Mavettes,” they would practice and perform weekly. She loved, adored and was very protective of her family, especially her children and grandchildren with whom she spent valuable time.

LeeAnn entered her journey into motherhood at the age of 21 years old, where she went on to add 6 more additions to the family. LeeAnn raised her 7 beautiful children with pride, love and devotion. She was very protective of her children. LeeAnn was also like a mother to her children’s friends whom she supported and encouraged. LeeAnn was known for standing her ground and holding her own.

As LeeAnn’s children begun to have children, she went from mama to granny. LeeAnn was a pillar of strength to her children and grandchildren. LeeAnn’s entire life since adulthood was children and grandchildren. There will never be a day she will not be missed. She will forever be the bond that holds her family together even in spirit.

Others who preceded her in death are Snow Williams (grandmother) of Hope, Arkansas; Ellaree Lane (mama) and Jimmey Williams (brother) both of Los Angeles, CA; and Dorothy McPherson of Texarkana, Arkansas

She leaves to cherish her memories 7 children: Darrell Lashaw Sally, Tiesha Renee Anderson, Gabrielle Glenette Justice, James Bernard Lee Jr., Chantille Vaughns, Aja Janelle Harris and Giovanni Jaime Cutkelvin Jr.; a very special nephew Michael McFarland; 11 grandchildren: Destinee Shepard, Marlon Dewayne Towery Jr, Stephon Darrell Sally, De’Mia Tyesse Cole, Leroy Freeman Jr., Le’Andre Freeman, Darrell Lashaw Sally Jr., Lahjè Na’Lyla Bryant, Nazair James Lee, Silas Edmund Ridley III and Deshaun Christopher Thomas Jr.

Mavis Vasquez (mommie) and 9 siblings: Jeanette Gardener, Lisa Stewart, Ocki Vasquez and Kiwana Hines all of Los Angeles, CA; William Bradford, Eddie Jewel Woodberry of Texarkana, Arkansas; Ruby Miller, Larry Williams and William Clark all of Hope, Arkansas. LOVING TRIBUTES TO *Lee Ann Anderson*

From Son, Darrell Sally

To My Queen, feb. 6th I faced my worst fear I had since I was a kid and that's losing you, you was the first woman I fell in love with and you always had my back, my front and my sides and knowing you're not here is killing me slowly mom. You raised 7 kids on your own and never complained. You were strong, willing and did what you had to do to put food on the table and clothes on our backs. Now that you're gone I'm honored and will happily take your role.

Mama as long as I'm here I PROMISE I WILL DO ANY AND EVERYTHING to be there for my brothers and sister. I love u mama and I will never EVER forget you and the foundation you have laid or your beautiful smile I LOVE YOU MAMA!

From Daughter, Tiesha Anderson

You really pulled a fast one on me mama. It's so hard to cope with the fact that you're really gone! Although I'm so upset you had to leave us so soon I'm so happy that you are at peace and no longer in pain. It's so crazy now as much as I didn't like you calling me "YAYA" how I would do anything to hear you say it again! I will hold on to your voice and every bit of you forever! I'm going to cherish the bond we had and the memories we've created. You were truly my best friend. Thank you for the 34 years that you have blessed me with unconditional love, the laughs, the talks, your guidance, advice you gave and for being the best mother anyone could ask for. I love you mama, you will forever be in my heart!

I miss you mama. I thought of you with love today but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence I often speak your name. All I have are memories and your picture in a frame. Your memory is my keepsake with which I'll never part. God has you in his keeping I have you in my heart. I love you mama!

From Sister, Lisa Stewart

My dear sister LeeAnn, I sit here and I think how very much I'd like to talk to you today. There are so many things that we didn't get a chance to say. We both know how much we loved one another even if we didn't talk daily. An Angel came and took you by the hand and said your place is ready in heaven far above. You had to leave behind all those you truly loved. You had so much to live for, you had so much to do. It still seems impossible that God has taken you. Although your life on earth has passed, in heaven it starts a new, you will live for all eternity that's what God has promised you. And although you have walked through Heaven's gate the time I will see you again I will patiently wait. We are never far apart, for everytime I think of you, you're right there deep in my heart. Until we meet again, your big sister

From Special Nephew, Michael McFarland

Dear auntie LeeAnn, I will miss your kindness and your love. I'll miss your beautiful smile and I promise that every single day I'll remember for a while. We shared something truly special something that can never be replaced, a bond that the years can never fade, memories that time can never erase. Those memories of you will always bring a smile. If only I can have you back for a little while, we can sit and talk again just like we use to do. You always meant so very much to me and always will too! The fact that you're no longer here will cause me pain but you're forever in my heart until we meet again! Love Michael McFarland

From Mommie, Mavis Vasquez

From Sister, Ocki Vasquez and Family

You filled us with laughter and moments of joy and we will never forget the love we felt while being around you. Although we are so sad you're gone and we miss you dearly, we will forever hold on to all of the beautiful memories. Knowing we can never talk, laugh and dance with you makes us feel down but we are grateful that God gave us good times while you were around. You will forever be in our hearts.

Love Ocki, Carla & Adrian

From Sister, Kiwana Hines

Hey yo there, why did you have to go? Who told you that it was ok to leave? Now that you're not here all I have is memories, the fun times, the laughs, the jokes, and the pranks. The times I spent with you was truly great. Forever in my heart your presence I will keep, as I now know you're watching over me. Love your little sis KiKi

From Sister Jeanette Gardener

Dear sister, I love you and I will always miss you...

God's Garden

God looked around his garden And found an empty
place. He then looked down upon the earth, And saw
your tired face. He put His arms around you And
lifted you to rest. God's garden must be beautiful, He
always takes the best. He knew that you were
suffering,

He knew that you were in pain. He knew that you
would never Get well on earth again. He saw the road
was getting rough And the hills were hard to climb.

So He closed your weary eyelids And whispered
"Peace be thine." It broke our hearts to lose you But
you did not go alone... For part of us went with you
The day God called you home.
