Thoughts From Today's Sermon

There is a peculiar role that the Scripture gives to husbands and fathers. Fathers bear a special responsibility for the moral life of the family. So we urge our fathers to step up to the plate and take our responsibility seriously. Let's be the kind of man who gives hope and happiness and confidence to our children because we ourselves have found our hope and our happiness and our confidence in Christ.

Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! We are delighted to have yet another opportunity to come together in God's presence. We have every reason to be here, to praise and worship the only One who is deserving of our adoration. May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

A fellowship meal **with our guests in mind** has been planned for immediately following the worship service this morning. This is an opportunity to get better acquainted and enjoy the love that God has put in our hearts for one another. Everyone is welcome!
