## Welcome

It's hard to imagine that the Muslim uprising would not be part of Bible prophecy. It is having such a tremendous impact on our world. The seven trumpets are a prophecy about the human Wars that take place before and after the close of probation. God is not surprised by anything evil that happens in the world. And we know that the head who is really behind all this carnage and violence is none other than the lord of the Abyss Satan. God will triumph over him!

**Today:** Today we celebrate our April birthdays and anniversaries at fellowship dinner. All are welcome to stay and enjoy the food and fellowship.

The directories are now ready. Please pick up your copy on the table in the lobby.
