Family and Friends

*In the years ahead from January through December,
we will playback all the memories we could remember
Like how your smile would light up a room,
a beautiful person gone way too soon
A child that meant more to her mom
than anything in this world has brought her,
a mother who loved selflessly for her son and daughter
A niece who gave joy, you were your aunts and uncles treasure,
a sister whose love could not be measured
A cousin with tight bonds no one could tear apart,
a friend who was true and loved from the heart
I pray that God will give us strength to make it through
the struggle of sadness and heartache since we have lost you
You have left us with great memories that will be our guide
until that day we are called home to be by your side
Brighter days are ahead, hopefully close in sight,
just remember with each passing day
there is no Dawn without light*

ALWAYS IN OUR HEARTS

*We thought of you today.
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in his keeping.
We have you in our heart.*
