Dear Parents,

It's been a super week! Grades 5-8 practiced hard and participated in KS/NE Music Festival. They had a great day. Mrs. Simpson's room explored Australia & New Zealand. Ask them what New Zealanders call themselves.

We have had an addition to the month of April. The Union College Education Club is having a fundraiser for us at Barnes & Noble. On April 4, we will benefit from sales that night. Come to Barnes & Noble that night between 4 and 8:30. We will have fun activities and a read aloud by George Stone Faculty. Our students will sing two songs at 5:30. Please make sure that your child is there. We need all of the kids present to sing and help raise money for the school. Please mark this even for on your calendars. (See attached flyer)

With our weather being a tad unpredictable, please make sure that your child is dress appropriately. Layering is a good idea, with lighter jackets for the afternoon. The kids ask most afternoons to take off their jackets. It would be easier if they had a lighter jacket. Temperatures go up and down during this time of the year.
