

PRAYER TOPICS

WEEK BEGINNING MONDAY 28th FEBRUARY 2022

Our Thrive Group is going to study Psalms and are going to follow a study book by Eugene Peterson. Looking through the titles of the subjects I will be choosing 7 of the 12 titles for our prayers this week. I think the Prayer Week could bring real breakthrough so please sign up for an hour time slot.

Bless you

Richard

MONDAY – What is clamouring for our attention, children, work, home TV. It is difficult to turn from these things to pray and once we do things distract us, the phone, dogs barking, smell of food cooking, coffee etc. Pray today for peace of mind and spirit so that we can just find the time and space to be with God.

TUESDAY – today pray that we will not be intimidated by the big problems of life and think our prayers won't make a difference. They do, God does care about the big things as well as the little things.

WEDNESDAY – today think about who we are, where we are and what we are doing with God. Ask Him to affirm who we are, sons and daughters in Christ. Then ask if we are in the right place and if we are doing what God wants us to do.

THURSDAY – last Wednesday Dave spoke about sin on a talk now on YouTube. Listen to that and then ask the Holy Spirit to help you confront any sin that may bind you, repent of it, and then be refreshed by the Holy Spirit knowing you have been saved by Jesus' death and resurrection.

FRIDAY – today thank God for his grace and mercy, and the fact we have been set free.

SATURDAY – being a Christian does not mean life is a bed of roses. It doesn't mean our lives are problem free. God doesn't always answer our prayers the way we expect or want. Pray today that we are able to cling on to God's promises and that He will surround us with his love when we do have doubts.

SUNDAY – remember that if we keep praying the prayers will eventually turn to praise for all that God has done. This week, how many times have our prayers turned into praise.
