Home & School

Thank you to those who supported our International Food Festival by hosting a food booth or gracing us with your presence. We raised about \$800 towards Home & School projects this year. Some of this money will go towards repairing and beautifying the baseboard heating covers in the gymnasium. Thank you to Mr. Kaiser who plans to get them looking good again!

Our next big event will be the Color Run on Sunday, April 19th at 10am. Mark your calendars for another FUN gathering!

School Closings & Delays

We have been blessed so far with a mild winter, but things can change rapidly here in central New York. Follow the guidelines below if the weather turns stormy:

Watch for **Parkview Junior Academy**

Specifically, (though we typically follow the actions of the Syracuse City School District, but not always) on channels 3, 5, 9, and 10 to keep up to date about school closings and delays.

Most channels do a running screen on the bottom of the TV even during commercials. If you have the channel 9 news app on your phone you can check for school closings and

delays. Mrs. Kaiser tries to have that information to the television stations by 6 am.

Pre-k, Kindergarten

Ms. Park is in need of donations for **SNOW boots** (boys & girls) for her Pre-K and kindergarten students. If anyone has any extra that they are will to donate, she and the students in need would be very grateful. If you have any additional question, please feel free to contact her directly. Thank you!

BoxTops for Education™

Parkview is a BoxTops school. Please look for these labels on the products you buy. BoxTops are now scan able, so follow the instructions. You will need to scan from your grocery receipt, be sure not to toss it until you scan. You can also download the BoxTops app for an opportunity to receive special coupons and earn extra BoxTops. Every clip counts! Turn in labels to **Mrs. King** in the school office.
