Home & School

What a wonderful time we had at the **International Food Festival** this past weekend! Thank you to all our booth representatives and those who attended. Home & School raised \$855 towards our projects this year which include padding for the beams in the gym, updates in our nature center, and a contribution towards a new boiler.

The Replacement gODs DVD

Join us in the sanctuary following the Parkview worship service and potluck on March 16 for a screening of the Replacement gODs documentary, produced by Little Light Studios. We invite parents and children to watch this documentary together.

"Replacement gods takes a look at the super hero phenomenon taking Hollywood by storm. Every culture since the dawn of time has told fantastical tales of heroes that have saved humanity from some unspeakable evil. The effect these mythological tales had on humanity when the true Savior Jesus Christ arrived on Earth was devastating. Many didn't recognize Him because they were seeking a much different hero. Did the Devil blind us from Christ's first coming by flooding the world with counterfeits of God's prophesies? Since Super Heroes in comics are based on classical myths, is the Devil blinding us again from the greatest supernatural event the world will ever witness, Christ's second coming?"

Parkview 3K Color Dash & Work Bee

Mark your calendars for our annual Color Dash on April 7 @ 10am. We will gather together for a work bee after the run to accomplish some projects in the school's nature center. More info about the work bee to come.

Please look for Color Dash info coming home with your student(s) today. As in previous years, in order for students to participate in the run we ask *each family* to submit 10 addresses of friends and family members to mail sponsor request letters to. *Please complete the address labels that were sent home with your student over winter break. These address labels are due back on Monday February 25th.* Thank you!

The Fox Den Pre-K!

The Fox Den Pre-K is ENROLLING NOW for August 2019. We have **5 spots** remaining. Please contact Kelsey for more details.

Weather Delays and Closings

If the SCSD doesn't delay and we do, they will not delay buses, so kids will arrive on time (more or less) in spite of the delay. We try to follow the SCSD decisions because most of our students are in this district and this has not been a problem in the past. So, what does this mean for the future? Watch the TV. I am not inclined to make last minute decisions as that causes problems for families. If I have reliable information, I will make every effort to close by 6:30. In the event that Syracuse city goes from a 2 hour delay to canceling school after we have made it known we also are on a 2 hour delay the teachers will decide whether we close or continue with the delay. **Keep your eye the TV to see what Parkview is doing.**

When we are on a 2 hour delay students can arrive no sooner than 9:45.

Below please see the upcoming dates that SCSD will not be transporting any students.
