# COVID REQUIREMENTS – JULY 2020

## Students, Teachers and Parents

Thank you for nominating in the 2020 High School Squash Competition. Due to COVID restrictions, this year we will have to follow certain requirements to ensure everyone's safety. Each squash venue will have it's own COVID-Safe Plan in place with which you will need to comply. These can be obtained from the venue if requested.

## Squash venues and Squash SA have the following requirements;

- Social distancing must be maintained at all times – scorers, referees and spectators must maintain 1.5m distance
  - This may mean that where possible, some players may need to play, score and then go as space around the squash courts is generally limited
- Players are not to wipe their hands on the squash court walls, and avoid touching the squash court walls if possible
- Players should try to refrain from touching their face during the match.
  - Sweat bands (head or wrist) are recommended.
- Players are not to shake hands at the end of the match, but may **lightly** tap racquets
- No sharing of water bottles or equipment
- If a player is unwell (displaying COVID symptoms), they are not permitted in the venue
  - Reserves will need to be found for players that cannot play. Players are permitted to play twice, as long as the players are close in standard (a #1 cannot reserve at #4). Please contact Squash SA if you have any queries.
- All student's full names are to be written on the scoresheet, not only for scoring purposes, but to help track possible infections in the event of a COVID outbreak

**It is recommended** that students bring their own pens to use for scoring, and that all students have their own personal sanitiser to use prior to entering the court, and at the completion of their match. Students are also encouraged to sanitise prior to scoring, and at the end of scoring the match.

The **Sporty HQ Score Squash App** can be downloaded and used to score, if students/scorers do this on their own phone. Students would need to be officially listed in the team to be able to find the matches via the App. This will be available after the first round matches, once Squash SA has been advised of the full team list and it has been entered on Sporty HQ. Squash SA will advise schools when this has been done and will provide schools/students with instructions on using the App.

*We thank you for your cooperation in ensuring these procedures are met, and hope you have an enjoyable 2020 High School Squash Competition.*

## GENERAL RULES

1. **TEAMS:** To consist of four players to be played in ranked order of merit according to their ability (and Sporty HQ ranking once created)
2. **RACQUETS:** To be supplied by the school or competitor.
3. **BALLS:** Dunlop Single Dot Balls to be supplied by the first named school.
4. **MATCHES:** To begin by 4.00pm. Please try to be ready to start at this time if at all possible.
5. **RUBBERS:** All grades will play three (3) 15 point (point-a-rally) games against the corresponding player of the opposing team. (i.e. can win 2-1 or 3-0).  
If the score goes to 14 all, play continues until one player has a two point advantage (ie. 16-14 or 24-22)
6. **DRESS:** Players to dress in school colours where possible, and are to wear non-marking shoes.
7. **EYE PROTECTION:** It is **compulsory** for all players involved in this competition to wear eye protection whilst playing. The responsibility for providing eyewear belongs to the school and/or the player – NOT the centre. If the centre(s) that your team(s) play at have eyewear that they loan out, that is a bonus but don't rely on it because all players should look towards getting their own in the same way as they would consider getting their own racquet.
8. **FORFEITS:** Any team having to forfeit must let the opposition team and the squash centre know by midday on match day.
9. **SCORE SHEETS:** These will be distributed by the Centre Manager. They must be filled in using **full names** carefully and accurately and given back to the centre manager at the end of the match.
10. **IF ENTERING MORE THAN ONE TEAM IN A GRADE:** Please take care to enter the team name and number on the scoresheet e.g. PAC (2) v St Peters (1).
11. **FINALS:** Please check your draw for Grand Final dates. If your school ends up in the Grand Final but cannot play this date, please let Squash SA know asap to try to arrange an alternate date that suits both schools.
12. **MATCH FEES:** \$10.00 (inc GST) per player each Minor Round Fixture i.e. \$40/week, \$400/season per team. Finals will be charged at the same rate to teams involved either invoiced by the Centre or paid directly on the afternoon.
13. **SCHOOL NOMINATION FEES:** \$30 per school plus \$10 per team. This covers the cost of administration, program production and prizes for winning teams.
14. **DISPUTES:** Refer any problems to Squash SA by 3.30pm on the Monday following the game.
15. **ALL PLAYERS WILL BE ON SPORTY HQ** New Players will be given an initial rating and their results will determine their Team position during the course of the season. Team Managers can compare new players with existing players and give them the appropriate ranking. From the Squash SA website [www.squashsa.asn.au](http://www.squashsa.asn.au) click on SportyHQ logo, select Leagues, select **SA** and **Adelaide High School Competition**.

## **SQUASH RULES (Cont.)**

### **7. PREMIERSHIP TABLE**

- (a) For all matches played, four (4) match points shall be awarded to the team winning the match. Teams will also be awarded one point per game won. To decide the winning team, rubbers shall be counted first, then games and, if necessary, points. In the event of a draw, each team shall receive two (2) match points.

### **8. MAJOR ROUND MATCHES**

- (a) All major round matches shall be played on courts as directed by the Squash Sub-Committee.
- (b) To be eligible to play in finals in any grade, a player must have either:
  - (1) Played with the team at least three (3) times during the current season and shall not have played the two (2) immediately preceding matches in a higher grade or another team in the same year

OR (2) Played in the two (2) immediately preceding matches for that team provided he/she has played three (3) times in any grade during the current season.

OR (3) Played a total of at least three (3) matches during the current season in teams of lower grades and shall not have played in a team of higher grade during the current season.

(4) Rider to Rules covering eligibility for finals to cover schools having two (2) teams in one competition:

(i) Players MUST NOT swap from team to team during the Minor Round and Finals.

### **9. MARKERS AND REFEREES**

Each match shall be umpired strictly under the Rules of the game. Therefore, each team will supply either the marker or referee, alternating for each rubber.

### **11. SCORING**

The point-a-rally system will be used ie. a point is awarded for each rally irrespective of who served. If a game reaches 14 all, play continues until one player has a two point advantage (ie. 16-14 or 24-22).

### **12. RESERVES**

Players from lower grades may also play in a higher grade on the same day to avoid a forfeit, but the school may do this only in a total of three (3) matches and NOT in the finals (unless prior consent confirmed).

- 13. Players at Secondary Schools without Squash teams may play for another school, but ONLY with the permission of the Squash Sub-Committee.
