IN LOVING MEMORY

Todd Gerald Miles  
1963 - 2023

"Todd was the first born son of Gerald Henry Miles and Helen Pracilla Hansen. He was a teasing and loving big brother to Travis and Tyler miles. He spent his childhood running around Smithfield Canyon, boating and fishing on lakes, off-roading and beating up vehicles in the summers.

Todd graduated from Skyview High School and pursued a career in long haul trucking. He drove semi trucks across the country for many years, but slowed down after a major accident made it difficult to continue driving.

Todd lived most of his life in Smithfield where he would take many cruises and joy rides in the west fields enjoying the fresh air and beautiful scenery. Todd had many friends that were like family to him. He spent most days with his friends hanging out and laughing at life. Todd was amazing with babies and children. There were many times where you would find him playing and laughing with the kids. He was adored by all who knew him and he will be sorely missed in this life. He will be greeted in the afterlife with the wildest party by many loved friends and family."
