GRIEVING

As we get dressed today to celebrate a one of a kind mind,

The grief remains,

As we say our last goodbyes to the man who
has helped our world turn and our dreams come true,

The grief remains.

As loved ones gather around and tell stories
of an amazing man who has gone to rest,
the grief remains.

As we share laughs and memories
of the person who brought us so much joy

The grief remains.

As lessons from you were passed down to your children
and will be passed down to theirs too,
the grief will remain.

Someone once said "Grief is loves souvenir,
it's our proof that we once loved"

As I type this today I pray those words are true.

Because if they are then it's is my honor to grieve over you
