When I Go

When I go

Don't learn to live without me

Just learn to live with my love

In a different way.

And if you need to see me

Close your eyes

Or look in your shadow

When the sun shines

I'm there.

Sit with me in the quiet

and you will know

That I did not leave

There is no leaving

when a soul is blended

With another.

When I go

Don't learn to live without me

Just learn to look for me

in the moments

I will be there.

Thank You...
