An Eternal Bond

There is a bond that you can't see
for it's not bound with twine.
It's formed from strands within our souls,
this love that's yours and mine.

When I went home to be with God,
you must now understand,
I took with me this bond of love
and I still hold that strand.

So look now at my photograph.
The smile, you'll quickly see.
But only hearts can see the strand
forever binding You and Me.

Enjoy the precious memories
although we are apart.
We'll share more joys again one day.
I believe that with all my heart!
