Key Concepts for Spiritual Growth

Clearly the concept of counterfeits is a major theme in Revelation. While the rider on the white horse in Revelation 19 wears the royal crown, rather than the victory crown, the difference is explainable in terms of different stages of the conflict. Revelation 6 represents the church militant, while Revelation 19 represents the church triumphant. The focus of the four horsemen seems to be the victory of Christ and the progress of both the gospel and the resistance to the gospel.

NAMES OF GOD

ALPHA AND OMEGA

In the last book of the Bible, Jesus reveals Himself as “the Alpha and the Omega, the First and the Last, the Beginning and the End.” present at the world’s beginning, Jesus will also be present at its end, when he and his work are finally and fully revealed. You are praying to the One who is, who was, and who is to come. He is our all-sufficient Lord, who will not fail to complete the good work he has begun in us.

WHISPER

How to Hear the Voice of God
The Voice of Gladness ...Emotions
Emotions are the subject of much controversy, but they fall into two basic categories: negative and positive. One is vital to surviving, and the other is vital to thriving. Negative emotions, such as fear, keep us out of trouble. Positive emotions, such as hope, get us out of trouble. And it’s more than an attitude issue; it’s a spiritual issue. Negativity can keep us out of the Promised Land and cost us forty years.

God uses emotions to guide us, but it’s easy to get derailed by emotion. Lessons to learn:

First: Check your ego at the door.

Second: If you want it too much, you might want it for the wrong reasons.

Third: emotion is a great servant but a terrible master.

Fourth: one key to discerning whether a desire is God ordained is deciphering whether it waxes or wanes over time.

Fifth: A little emotional intelligence goes a long way.
