

Squash Australia Memorandum – Post AGM and 22nd October Board Meeting

1. SQA Board Composition

SQA Board Director Robert Nicholls resigned prior to the SQA AGM. Robert was replaced by the election of Nathan Turnbull. Joanne Brodie was also elected to the board. Michael Jaroszewicz was appointed a director by the SQA Board in the post AGM Board meeting.

2. AGM Presentations

The full presentation list from the 2018 National Forum is available on the Squash Australia website. [Please click here](#)

3. National Workshop – One Sport Structure Concept

Following the announcement by Sport Australia that all funded sports need to move to a 'One Sport' model or risk lose funding. SQA has prioritised discussion with the States on a collaborative way forward. Sport Australia's focus under the model is on achieving shared services, joint finances and direct line management of employees. The presentations around consumer centric thinking and the presentation by Triathlon Queensland in regards the progress they have made the past two years provided great insights in to the options in front of the sport. A date has been set aside for a Squash 'One Sport' Workshop. We hope 2-4 from each State is able to make the session.

The touch point will also provide us the opportunity to revisit the strategy at a national and state level.

The date chosen is Friday 21st June and Saturday 22nd June on the Gold Coast. These dates have been selected so maximise the connection with the following on the same weekend:

- World Doubles Championships Final Friday 21st June
- National Championships 22 and 23rd June
- National Coaches Conference 22 and 23rd June
- Squash Australia Annual Awards Friday 21st June
