~Our Heartfelt Love~

WE LOVE YOU & MISS YOU!

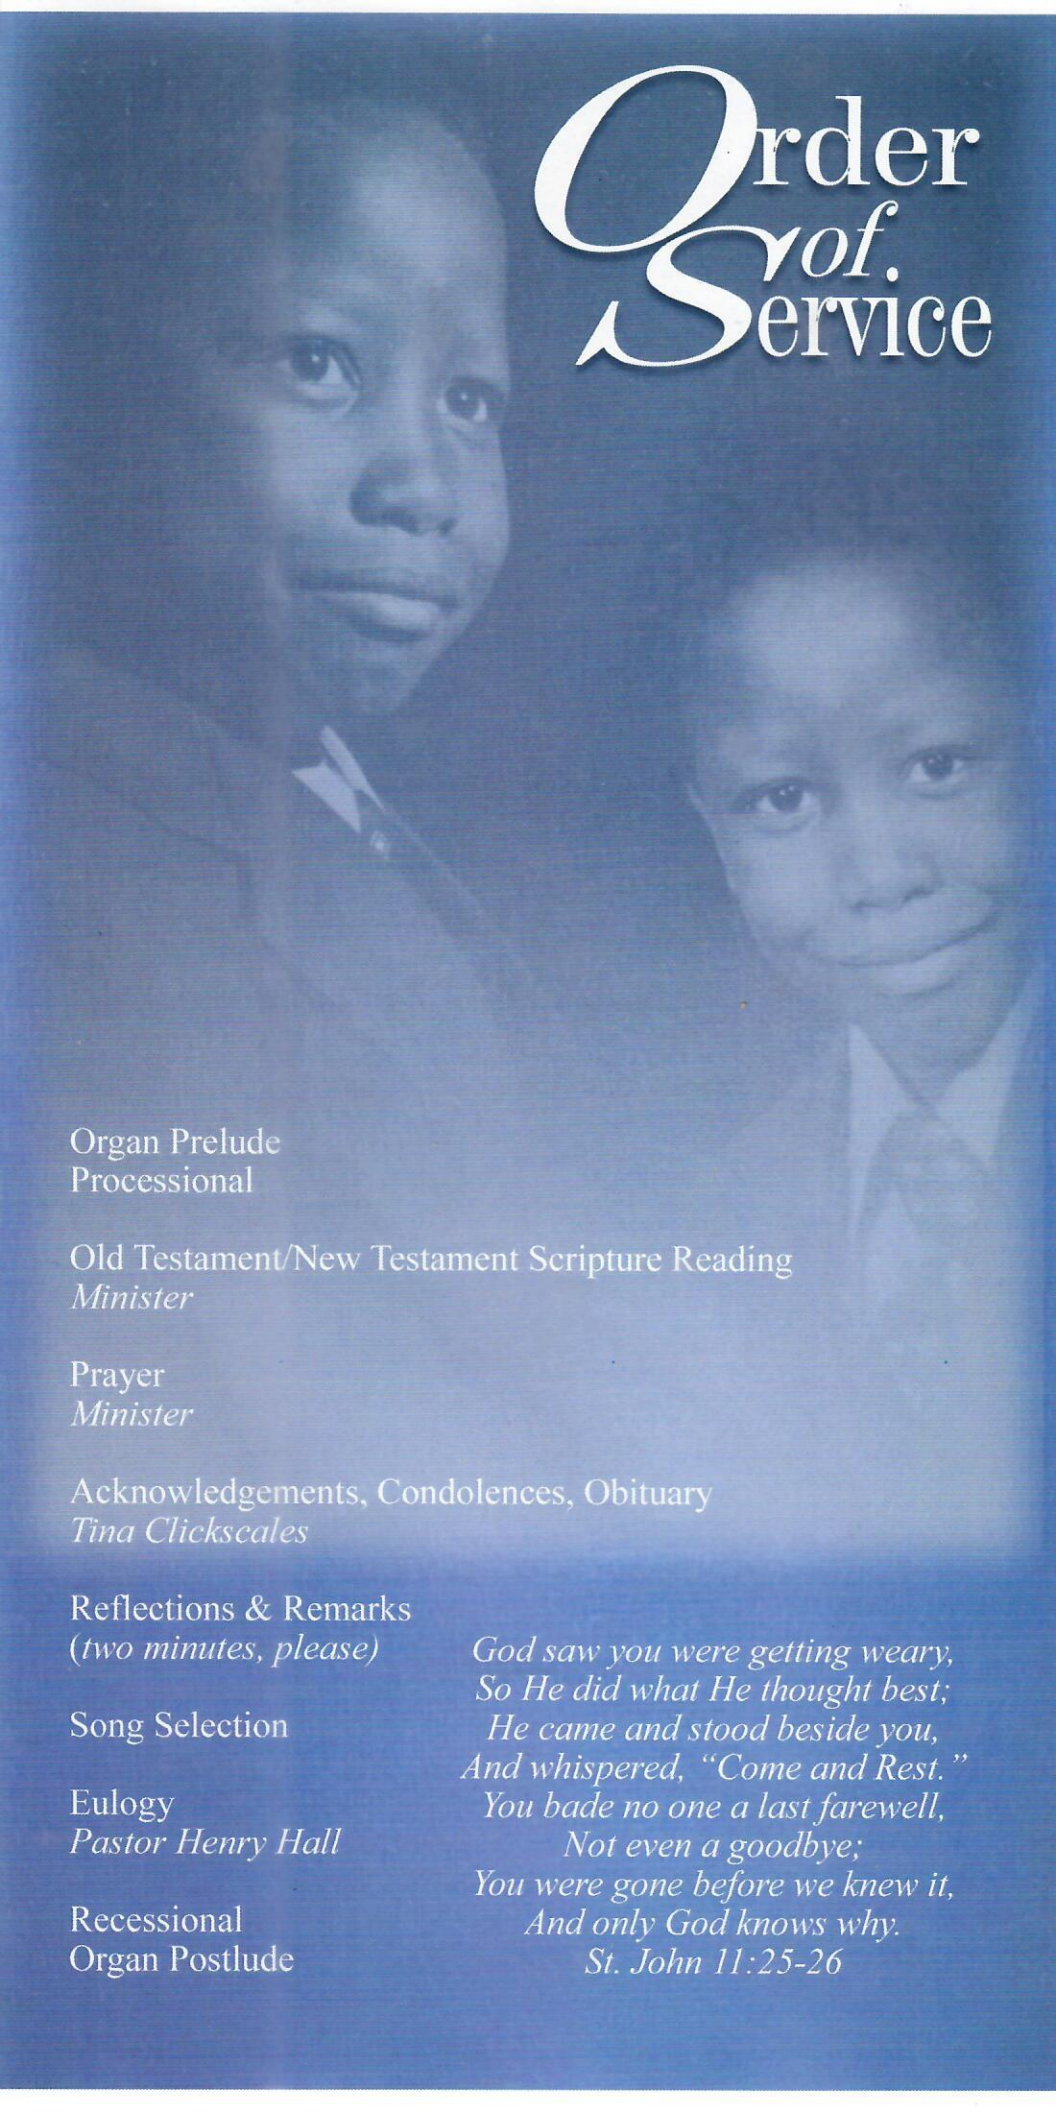

My brother, ss kids, we lived together. We fought, laughed, and cried, and we did not always show the love we both had inside, but we shared our dreams, plans, and some secrets, too. All the memories we shared is what bonds me now to you. We grew to find we had a love that is strong. Today, it is a love shared by our family that will never cease. ~Carl

Robert, I loved you with all my heart. That will never go away. The last two months, we shared a lot of things I never forgot, especially the wisdom you instilled in me. You were the perfect little brother to me; so, rest little brother. You are in Momma's hands now, and you can fly high with your golden wings. ~Love you always, Donna

Nephew,

Never ever in a million years would I be sitting here trying to describe the words that defines you. There are no words. You are a super special individual who touched everyone's life who you met. You loved hard, and it's funny because you never liked to show that side of you, but we all knew it was there. You were always there for the people you loved, even when you griped about it, you still showed up. ~Aunt Theresa

*God saw you were getting weary,
So He did what He thought best;
He came and stood beside you,
And whispered, "Come and Rest."
You bade no one a last farewell,
Not even a goodbye;
You were gone before we knew it,
And only God knows why.
St. John 11:25-26*

On February 11, 1972, in Detroit, Michigan, Robert Lee Maceo Lake was born to the late Bobbie Cheryl Lake and Robert Lee Maceo Dixon. Throughout his educational progress, he attended the Detroit Public Schools System, and graduated from Murray Wright High. Afterwards, he earned a Business Degree from Detroit Business Institute. He then became employed where he worked in various capacities as secretary, delivery driver, and construction worker.

Robert's Remembrance

As a member of Cedar Christian Church, Robert was loved by everyone. As the youngest of five children, he always thought he was the oldest, being that he was energetic and outspoken. He was a dedicated Detroit Lions fan who loved playing poker and collecting comic books. As a devoted father and grandfather, he enjoyed the quality time he spent with his family. In his unique modesty, no matter the circumstances, he was always there to give his support to everyone, and he was highly esteemed for being that special person who touched the lives of everyone he encountered.

A man of wisdom, love, and laughter, Robert unexpectedly transitioned from this earthly realm on February 25, 2024. Preceded in death by his father: Robert Lee; mother: Bobbie Cheryl; grandmother: Jean Lake; one aunt, and two uncles, whom we will always miss; he leaves to cherish his fond and loving memories: four sons: Dominique, Dontay, Javonte, and Sebastian; four grandchildren; three brothers: Darryl, David, and Carl; one sister: Donna; several nieces, nephews, aunts, uncles, and a host of other relatives and friends.

In remembrance of my beloved father, I am filled with an unwavering love that transcends words. Your presence in my life was an anchor, and though you were a tough man to impress, my greatest aspiration was always to bring pride to your heart. Even in your absence, I am committed to striving for excellence, knowing that you watch over us from above, guiding and inspiring me to honor your legacy. Your departure leaves an indescribable void within me, for you were not only my father, but also my mentor and confidant. Every lesson you imparted, every experience we shared, has shaped the man I am today, and for that, I am eternally grateful. Your humor brightened even the darkest of days, and your words of encouragement fueled my determination. Thank you for being my unwavering support throughout my journey in life. Your absence will be deeply felt, but your memory will forever remain a source of strength and inspiration. Rest peacefully, dear father, knowing you are cherished beyond measure and will never be forgotten.

~With love and reverence, Vonte
