Fill not your hearts with pain and sorrow,
But remember me in every tomorrow.

Remember the joy, the laughter, the smiles,

I've only gone to rest a while.

Although my leaving causes pain and grief,
My going has eased my hurt and given me relief.

So dry your eyes and *remember me,*

Not as I am, but as I used to be.
Because I will remember you all

and look on with a smile.

Understand in your hearts,
I've only gone to rest a little while.
As long as I have the love of each of you,

I can live my life in the hearts of all of you.
