Inclement Weather Reminder

With the threat of snow in the forecast, please remember that we follow the lead of the Puyallup School District on late arrivals and closures. The only reasons we would deviate from that is if we have a number of staff that cannot make it in or if Puyallup Schools have a prescheduled late start already planned.

Please watch for texted parent alerts as well as checking our website and the local news channels (KOMO, KING, KIRO).

We will post the information as soon as it becomes available from the school district.

There is not before school care or hot lunch on late arrival days.

The office staff thanks you for all of the wonderful Christmas gifts we received! We appreciate the thought and time that went into each one!
