

## Welcome

We extend a special welcome to those who are single, married, divorced, gay, filthy rich, dirt poor, y no habla ingles. We extend a special welcome to those who are crying newborns, skinny as a rail, or could afford to lose a few pounds. We welcome you if you sing like Andrea Bocelli or can't carry a note in a bucket. You're welcome here if you're just browsing, just woke up, or just got out of jail. We don't care if you're more Catholic than the Pope, or haven't been in church since little Joey's baptism. We welcome our disabled worshipers who have brought their service dogs with them. We welcome Muslims, Jews, politicians, and sinners like us. We extend a special welcome to those who are over 60 but not grown up yet, and to teenagers who are growing up too fast. We welcome soccer moms, NASCAR dads, starving artists, tree-huggers, latte-sippers, vegetarians, junk-food eaters. We welcome those who are in recovery or still addicted. We welcome you if you're having problems, or you're down in the dumps, or you don't like "organized religion;" we've been there too. If you blew all your offering money at the casino, you're welcome here. We offer a special welcome to those who think the earth is flat, who work hard, don't work, can't spell, or come because grandma is in town and wanted to go to church. We welcome those who are inked, pierced, or both. We offer a special welcome to those who could use a prayer right now, had religion shoved down your throat as a kid, or got lost in traffic and wound up here by mistake. We welcome tourists, seekers, doubters, bleeding hearts... and you!

We'll be chipping a large quantity of brush from the skirted trees brush trimmings that has opened a view of our property, mowing and weed-eating, installing a drip water system for the orchard are a few of the projects that we'll work on together. This is a great opportunity to get acquainted with the parents of our kids as well as some volunteers from Middletown Church that have been invited to join in. Watch for more details.

Live in such a way that those who know you but don't know God will come to know God because they know you.
