Adventists Helping Adventists Update

We would like to thank those that have come out to provide help with this project. The current project is at the Williamston SDA Church. Many projects on the list have been completed which include the parking lot, mold remediation, outdoor signage, painting of the nursery and Sabbath School rooms, and a foyer update. MAP Funds of \$23,000 were approved and another \$21,000 from the church and private donations were used for some of the already completed items. We want to thank all those that have contributed to the Williamston Church project. Items still needing attention include: emergency exit update, updated kitchen and functional windows. If you are interested in helping or donating to this or any of our upcoming projects, please email: sdahelpingsda@gmail.com
