

What a Joy

Jesus puts a song within us;
It's a song of joy and peace.
Such a melody of beauty
Makes our thankful hearts increase.

Refrain:

What a joy to live for Jesus,
What delight to sing His praise,
There is pleasure in His presence
As we serve Him all our days.

We can have His joy within us,
We can hear His "peace, be still."
We can know the Spirit's power
When we do His perfect will.

When we live for Jesus only,
When we walk with Him each day,
When we seek to do His bidding,
Then His Word we will obey.
