

Issue 4 Term 2

December 5, 2017

Hello School Family,

School Tuition Fees

All families should have received a letter and statement regarding student accounts. Please be reminded that our school board and conference rely on school administration expect and depend on prompt fee payments to operate our school. If payments have not been honoured students must remain at home by January 8, 2018 as they will be unable to be admitted to classes. Thank you for making this a priority.

Our winter event will take place **Wednesday, December 20, 2017 at Monkland Gym from 9.30 am to 11.30 am.** Students will perform and are asked to wear uniforms. Band students will be in black and white for performance. Class end of the year celebrations are to follow back at the school in the afternoon from 12-3.30 p.m.

End and Start

Our last day of school for 2017 is Wednesday, December 20, 2017. Our first day back in 2018 Thursday, January 4, 2018.

School Building Update

We will remain in our current building. This communication is on behalf of the Quebec Conference – Executive Committee:

‘Quebec Conference has been looking at the possibility of helping the school get a bigger building. However, the building that was being considered for that purpose was discovered to have serious safety issues after the inspection and the transaction had to be abandoned. The Conference and the School Administration as well as the School Staff continue to remain fully committed to the education of their children in the best way possible for time and eternity.’
