

"There were so many afternoons I found myself walking next to Jake as the school day ended and he was on his way home. With his large backpack, pep in his step, and a story about something. We talked of squirrels, and swimming, baby chicks, and his siblings. What a wonderful child he is...may his energy be felt when the wind blows through the trees and lifts the hair from your shoulders, and when the small birds sing as the sun begins a new day."

- Mrs. Cabbage, Stowers Elementary

Jacob Andy Heath, 8, of Lithia, FL passed away December 27, 2018 at CHI St. Alexius Health, Bismarck.

Jacob Andy Heath was born October 13, 2010, to Nathan and Tessa (Bobb) Heath in Tampa, Florida.

Although Jacob was only 8 years old, many people called him a “little man” with a huge personality and an old soul. The word stranger did not exist to Jacob, and he easily became friends with anyone he met young and old. His positive, outgoing personality had him living his life to the fullest.

Always looking for action, he was the instigator with a heart of gold. He loved a good laugh, joking around, kept things moving, and he kept you on your toes with his witty one liners. Monster trucks, John Deere tractors, Cub Scouts, baseball, and 4 wheeler rides were but a few of Jacob’s interests of fun. Always willing to help anyone at any time, generosity and love was his motto. Jacob was always the first to greet friends and family with a smile, and the question, “How was your day?”

This little man lived a life making people happy. He touched so many people, more than we know and can count. “I love all of you” - Jacob
