BROTHER  
You gave no one a last farewell,  
Nor ever said good-bye  
You were gone before we knew it,  
And only God Knows why,  
A million times we will miss you,  
A million times we will cry.  
If love alone could have saved you  
You never would have died  
In life we loved you dearly  
In death we still love you  
In our hearts you hold a place  
No one else can fill  
It broke our hearts to lose you  
But you didn't go alone  
For a part of us went with you  
The day you went home  
We will meet again someday  
I know in a better place  
I thank God He made you our  
BROTHER  
While you were here on earth.
