

I'll remember all you've taught me
And make you proud you'll see.
Thank you my dear mother
for all the love you showed me.
Although you've left this earth
and now you've taken flight,
I know that you are here with me each
morning, noon and night.

Poem to Mom from son Vick

My grandmother kept a garden
A garden of the heart
She planted all the good things
That gave my life it's start

She turned me to the sunshine
And encouraged me to dream
Fostering and nurturing
The seeds of self-esteem

And when the winds and rains came,
She protected me enough
But not too much she knew I'd need to
stand up strong and tough

Her constant good example
Always taught me right from wrong
Markers for my pathway
To last my whole life long

I am my grandmother's garden
I am her legacy
And I hope today she feels the love re-
flected back from me

poem to grandma from Danasia

The day that God called your name
It broke my heart in two
But heaven needed an Angel
And the one he picked was you
I just wish he could have waited
And let you stay with me
But you have left memories in my heart
And that's where they'll always be
I just wish I could rewind the clock
Or make it turn real slow

I could have hugged you one more time
Before you had to go
No matter how much time will pass
I'll miss you everyday
Keep shining bright in heaven
So you can light my way

~ The Family ~

Such wonderful memories of Grandma Rosie
The Rosie we all used to know
We kept you too long and there waiting
The angels have said you can go
Bright golden gates that are shining
Full of family to bid you hello
So blow us a kiss as you're leaving
Our sadness we'll try not to show
Such wonderful memories of Grandma Rosie
We all have our favorites you see
As you enter those gates you'll be thinking
They're all there thinking of me!
