Part of Big Cove Christian Academy's Mission is to reach the community and help those in need. You are invited to join this mission by taking part in one of our outreach opportunities. One of the biggest needs in the homeless community is the need for Children's shoes. For this Sabbath, today, we are collecting new or slightly used shoes for the Downtown Rescue Mission. They can be any size, for either a boy or a girl. A box labeled "SHOE MINISTRY" is placed in the foyer of the church. Thank you for being part of this outreach.

The path of the just is as the shining light, that shineth more and more unto the
perfect day.

Testimonies for the Church 8:316-318

We must turn away from a thousand topics that invite attention. There are matters
that consume time and arouse inquiry, but end in nothing. The highest interests
demand the close attention and energy that are too often given to comparatively
insignificant things.

Accepting new theories does not bring new life to the soul. Even an acquaintance
with facts and theories important in themselves is of little value unless put to a
practical use. We need to feel our responsibility to give our souls food that will
nourish and stimulate spiritual life....

We are not doing the will of God when we speculate upon things that He has seen
fit to withhold from us. The question for us to study is: "What is truth, the truth for
this time, which is to be cherished, loved, honored, and obeyed?" The devotees of
science have been defeated and disheartened in their efforts to find out God. What
they need to inquire at this time is: "What is the truth that will enable us to win the
salvation of our souls?"
