Softly woo away her breath,  
Gentle death!

Let her leave thee with no strife,  
Tender, mournful, murmuring life!  
She hath seen her happy day, —  
She had her bud and blossom; Now  
Earth, into thy gentle bosom!

She hath done her bidding here,  
Angels dear!

Bear her perfect soul above.  
Seraph of the skies, Sweet love!  
Good she was, and fair in youth;  
And her mind was seen to soar.  
And her heart was lead to truth:  
Take her, then, forevermore and  
evermore.
