

Mother Dear

Once upon a time when I was just a child
I remember the things my mother said to me.
She soothed me, she rocked me and sang me to sleep
And held me to her breast the old chair creaked as rocked to and fro
And the wonder of life is complete
This old world would be such a wonderful place if more like
My mother there'd be.
She was never too busy to wipe away our tears
And the solace she gave did away with our fears
Oh God up in heaved I'd like you to know
How grateful I am and I love her so
O memories, memories, dreams of long ago
Memories my darling mother divine
I'll never forget that sweetheart of mine
Mother dear.
