MVJA ANNUAL FUND

The MVJA Annual Fund continues. The primary goal of the Annual Fund: to provide financial assistance to students. Our school experiences low cash flow due to the many students who are not able to pay the tuition. Providing financial aid will enable Meadow View Junior Academy to reach more children in our community and churches with the saving message of the Gospel. A special thanks to those who have contributed toward the annual fund. Please continue to support MVJA through your prayers and financial

contributions.

Home & School Association Item:

The Home and School Association cannot function without the help and support of our parents. We are looking for parent volunteers for the various activities and functions taking place at the school. Please contact our Home and School leader, Ms. Yvonne Prendergast to let her know how you would like to contribute to the school and support your child or children's education. According to research, students whose parents are engaged in their education by volunteering at their school and keeping constant communication with their school do better all around. Please let's cooperate by working together to help our children succeed. Ms. Prendergast's phone number is (609) 217-4441. Home and School would also appreciate fundraising ideas from you as well as ways you can help to make our fundraisers a success.

Home and school Fundraiser: The Home and School Association is counting on you to make this fundraiser possible. Please support by making sure to reach the goal

of selling to at least 10 people. We are counting on your help. Thank you in advance. Orders are due on December 11.
