

A Limb Has Fallen

A Limb has Fallen from Our Family Tree

I keep hearing a voice

“Grieve for me not”

Remember the last time, the laughs, and the songs.

A good life truly while I was strong,
continue my heritage, I am counting on you,
keep smiling and surely the sun will shine threw.

My mind is at ease, My soul is at rest.

Remember how I was, I was truly blessed.

Continue traditions no matter what.

Go on with your life don't worry about the fallen limb.

I miss you dearly, so keep your head up,
until the day we are together again.

Sorrowfully Submitted,

Ms. Coleman, Troy, Candy, and Lisa

Eulogist: Elder Larry Dillard

God took the fragrance of a flower,
The majesty of a tree,
The gentleness of morning dew,
The calm of a quiet sea,
The beauty of the twilight hours,
The soul of a starry night...
The laughter of a rippling brook,
The grace of a bird in flight,
The tender care of an angel,
The faith of a mustard seed,
The patience of eternity,
The depth of a family's need...
Then God fashioned from these things
A creation like no other,
And when his masterpiece was through

— — —
He simply called it - Mother.

Cry for Me Not

Sad and down I expect you will be, now that I'm gone
And all that's left are memories,
so when you think of me through a smile.
I expect after all I have no regrets,
remember me in your happy times
and turn that Frown upside down.
So Cry For Me Not For I'm Resting Now

It's been the hardest thing to lose you;
 you meant so much to me
 But you are in my heart grandma
 and that's where you'll always be.
 I know that Heaven called you,
 but I wish you could have stayed
 At least the memories I have of you, they will never fade.
 I did not want to lose you, but you did not go along
 Because a part of me went with you,
 when Heaven called you home.
 So just remember one thing we are not apart,
 You're with me in my memories, and my broken heart.
 I Love You - Your Baby
 My Mum Mum - Liyah

In my rose garden of memories
 I see you standing there
 An Angel in disguise
 Who taught me how to care
 I long to hear your voice, feel your soft gentle kisses
 For real not in my dreams
 I am missing you so much these days
 How empty my world seems
 People say time heals all wounds that someday the pain will
 subside
 But Mum Mum I can tell you they have lied.
 The emptiness I feel now
 I will feel for a lifetime
 In my rose garden of memories
 I hold you dear
 In my rose garden of memories
 I know you'll always be
 For though you're gone
 From this mortal world
 In my heart you will always be
 I love you. Leekah,
