Heidi DePaula, one of our Kindergarten moms and elementary teacher's aid, also sells high quality hair accessories for Lilla Rose. She will be coming to the school on **Thursday September 20 from 3:15-5pm and Friday September 21 from 2:00-5:30pm** to demo her hair accessories. She will be donating her 30% commission to EACC/ EACS from any sale made during these times or made online using this link: [lillarose.biz/parties/29403](http://lillarose.biz/parties/29403) from now until Monday, September 24 at 6pm. Enjoy looking great (or do some early Christmas shopping) and support our school as well!

### *Hair clips for Education*

*Short or long, thick or thin, old or young. There is something for all hair types!*

MixGram

The Antique & Classic Car Show is happening next Sunday, Sept. 23rd. Be sure to come and see these great cars, do a craft and have fun in the bounce house. There will be Bake Sale as well as other food and drink for sale. Proceeds are usually for the school and preschool, but this year the proceeds are for the Golden Eagle Pathfinders who do our color guard each year for the car show. It will help them for their trip to Oshkosh, WI next summer. (many of the kids in the club go to our school).

Donations are accepted as well.

If you would like to come and help out, please let us know. Thanks!

Tuesdays—Pizza, vegetable, fruit	Hot Lunch	Thursdays—Mac & Cheese, vegetable, fruit

# Classroom News

## Mrs. Davidson's Class

This week has been our fall week of prayer, and we have had a special chapel every day. We have been learning about creation, and about choices made by different people in the Bible. We serve a wonderful God who has given each of us the power of choice. Let's use that power wisely and choose to do right so that God's love can change the world through us.

Next week will be ITBS testing for grades 3-8. Testing will be in the morning each day next week. Please be sure your children get excellent rest each night next week, as well as healthy meals and snacks so that they can have clear minds for thinking and sustained focus. These are important tests for the students, and we want them to be able to do their best.

## Teacher Martha's Class

This week we explored the book "This is our House". It was a story about a little boy who didn't want to share. He kept changing the rules so that no one could play. It was a book about how our choices and actions can hurt us too. It ended on a good note and the kids enjoyed all the activities that went along with the book, especially the paper airplanes and the flights they took in the gym.

We worked more on letters and writing our letters starting from the top. The kids are doing really well at making their letters touch the top and bottom lines. They are doing very well with the sounds of the letters as well as the recognition.

We got to paint for the 1st time this year. They were able to paint whatever their heart desired. Watercolors are always fun and we had different size and textures of brushes to use.

In Bible we read the story of a short, dishonest, man who knows how to climb trees, who wanted to see Jesus and best of all who had a change of heart! Always a wonderful story!

In the afternoons we spend some downtime resting as I read a chapter book to the kids. Our 1st book is Heidi. The kids are enjoying listening and they are amazing me with what they are comprehending and remembering. Your kids are amazing!

## Teacher Holly's Class

This week we have gone over to the church for Week of Prayer. Pastor Steve talked about the birth, life, death and Resurrection of Jesus. This went along with our Bible story. It was as if God planned it.

Our art and writing activity went together as we tore and glued small pieces of paper to color our pictures. At first it was "boring" but as they saw it come together they were excited.

In science we have been learning about our bodies, last couple of weeks it was what is on our head, moved down to body parts, this week we looked inside to talk about our heart, lungs, and various other internal organs. Some of you know I got a new fur baby, an 18 month old goat. The kids and I have talked about it and I showed them pictures. I would like to extend an open invitation for any family that would like to come out, to do so. I live in Emmett. Just call ahead to see if I am home. I truly feel blessed to be able share my fur babies with others.
