February 2019

Don Quixote

Ballet

Wow! What a great time we had at the ballet! It's always great whenever we can expose our students to arts and culture, and we're so grateful for the opportunity to do so at the ballet.

This wouldn't have been possible without the very generous donation of one family. This family was generous enough to assume a very large portion of the cost of the buses. This was no small undertaking. It is very expensive to transport a group of 100+ people from Milpitas to San Francisco. I'm so thankful for parents like these who are so often willing to help out our school in a number of different ways.
