Weekend Activities

Last weekend, the Campus Ministries Department started a new initiative on campus to make Jesus famous through sharing what He does for us, and realizing our identity can be found in Him. We would like for our parents, family and community members to join us in this effort.

This Friday evening we will be having **Friday Story Time at 7:30pm** for our **vespers** service in the boys' dorm chapel. This is a time where we will hear real life stories of when God has worked in incredible ways and has answered impossible prayers in the lives of the teachers, church members, and community members. Please join us. If you have a story you'd like to share, please contact [Mandy Corea](#). Dress is casual.

On Saturday morning, join our **Sabbath School class at 10:00am** in the church youth chapel as we continue the discussion on **Jesus & Identity**. For this week's student and parent devotionals, check out www.hva-edu.com/student-life/cm.

Senior Campout & Class Parties

On Friday, **September 14**, the senior class will be leaving for HVA's annual senior campout. This is an important time for bonding and team building, as well as growing closer together in Jesus. If your student is a senior and you have questions about this event, please contact [April Lutz](#) or [LouAnn McCain](#).

On **Saturday evening**, the Freshmen, Sophomore and Junior classes will be having their class parties at various times and locations. Please contact the class sponsors for more details: Freshmen - [Lisa Norton](#) & [David Niño](#); Sophomores - [Omar Gomez](#) & [Andrew Lay](#); Juniors - [Lori Zerne](#) & [Myrna Nowrangi](#)

ITED Testing

Highland View Academy students will be participating in the Iowa Tests of Educational Development beginning on **Monday, September 17 through Wednesday, September 19**. Please make sure that your students are well rested, nourished and hydrated throughout testing. Testing will occur during normal school hours and students are to abide by regular dress code. For questions please contact our testing coordinator and principal [Erik Borges](#).
